Local business and roses

We are delighted that more and more entrepreneurs see the potential of the vision of "Kutno - the City of Roses". Every year there are more and more initiatives implementing rose motifs in commercial activities, both in terms of products and image. So you can try rose ice cream, pralines, cookies (Wasiakowie Confectionery), lemonade (Rose Bistro), tea (Cukrovnia) or even rose pizza (Pizzeria na Widelcu) in Kutno. We have Rose Shopping Mall, Rose Medical Center, Laundry Room under the Rose, Rose Cafe, Taxi Rose (Róża) or Housing estate Wild Rose (Dzika Róża).
